Meet the Choreographers:

www.kellypetersdance.com

Kelly achieved professional dance status while still in Junior High. Kelly has an innovative "outside the box" style of choreography. He believes in promoting and preserving what he believes is the true essence of the Hip Hop culture. Kelly lives by his motto P.E.A.C.E. (Positive Energy Activates Constant Elevation) and this he believes, is his contribution to the world. In addition to being a master teacher, he has worked with names such as Naughty by Nature and The Fugees.

Born & raised in Queens, NYC, this duo made their debut at the Apollo while still in their teens, to then dance with New Edition at the age of 15. Since then Na-Stylz has gone to become one of the hottest choreographers in the business, working with top entertainers such as G-Unit, Missy Elliot, Tweety, Daddy Yankee, Mario, The Fugees, and Whitney Houston. With a sexy but hardcore style, the madams of moves have also worked on commercials for Nike and the 2006 "VH1 Hip Hop Honors" awards show where they took their skills to another level by choreographing and dancing alongside a 75-piece marching band and with hip-hop legends Rakim, Ice Cube, Ice-T, the Wu-Tang Clan, and the Beastie Boys.
